

- Standard view allows the user to set the number of rows returned.

**Standard View name: test1**

Standard View label:  
test1

Search for:

Expand query with synonyms

Max rows returned: 100  Unlimited

Display Format: Default

Parent Category: My Content

- Custom view does not

**Custom View name: test2**

Custom View label:  
test2

Display Format: Default

Parent Category: My Content

- However the user would have the ability to manually change this by going to PSX\_SEARCHES and changing the MAXIMUMITEMS column.

SQLQuery1.sql - T...02011 (sa (185))\*

```
select * from PSX_SEARCHES
```

		TYPE	DISPLAYFORMAT	MAXIMUMITEMS
1		StandardSearch	8	200
2	ox.xml	View	1	-1
3	tbox.xml	View	1	-1
4		View	1	-1
5	cent.xml	View	1	-1
6		StandardSearch	7	200
7		View	1	-1
8	ssion.xml	View	1	-1
9	eckedoutbyme.xml	View	1	-1
10	earches/sample1.xml	CustomSearch	1	-1
11		StandardSearch	1	-1
